# Our Vows

July 3, 2021 - Waimea, Hawaii

~We promise to nourish and care for each other with gentleness.

~We promise to laugh with each other in times of joy and comfort and in times of sorrow.

~We promise to love, honor and cherish each other for the rest of our lives, whatever the circumstance.

~We share in our dreams and support each other as we strive to achieve our goals.

~We promise to be honest with each other, in thought, word, and deed.

~We listen to each other with compassion and understanding.

~We speak to each other with love and encouragement.

~We promise to grow alongside each other, and be willing to embrace change to keep our relationship living and vital.

~And we promise to remain faithful to each other for better or for worse in times of sickness and health.
